# Terms of Service

Welcome to the OPENCOMMONS Web site. We hope you enjoy your experience. The Web site at [www.opencommons.org](http://www.opencommons.org) (the "Site") is owned and operated by OPENCOMMONS. Accessing the Site, in any manner, whether automated or otherwise, constitutes use of the Site, and your agreement to be bound by these Terms of Service. By using the Site, you agree to use the Site in accordance with these Terms of Service, the OPENCOMMONS Privacy Policy, and any additional terms and conditions that may apply to specific sections of the Site or to products and services available on or through the Site.

OPENCOMMONS is organized for the purpose of promoting such common interests of its members as may qualify it as exempt from Federal income tax under Section 501(c)(6) of the Internal Revenue Code of 1986, as amended (hereinafter referred to as the "Code" or the corresponding provision of any subsequent Federal tax laws); and within such limits to create a transparent community for the creation, evolution, promotion and support of vendor-neutral, open source electronic health record software by cultivating both an open source community and an ecosystem of complementary products, capabilities and services.

We reserve the right to amend, supplement or modify these Terms of Service at any time, in which case the revised Terms of Service will appear on the Site. Continued use of the Site after we post any such changes will constitute your acceptance of the Terms of Service, as amended, supplemented and/or modified.

### Intellectual Property Rights

Grant of Limited License. This Site and all the materials contained on it are the property of OPENCOMMONS, and are protected by copyright, trademark, and other intellectual property laws. You may only use this Site and the materials on it as authorized by OPENCOMMONS. You may not use this Site or the materials on it in any manner that violates the privacy rights, publicity rights, copyrights, trademark rights, patent rights, contract rights, or any other rights belonging to OPENCOMMONS or a third party. We reserve the right, at any time and without notice, to suspend, cancel, or terminate your right to use the Site (or any portion of the Site) for violation (whether repeated or not) of intellectual property rights or any other rights belonging to us or a third party. The content provided on this Web site is provided under the terms and conditions of a Creative Commons Attribution 3.0 License <http://creativecommons.org/licenses/by/3.0> and those additional terms, conditions and notices referenced therein. Information about permission to reproduce or distribute materials from the Site can be obtained by e-mailing [info@modelado.org](mailto:info@modelado.org).

Responsibility for Content. You understand that all material, data and information, such as data files, written text, computer software, music, audio files or other sounds, photographs, videos or other images (collectively, "Content") which you may have access to as part of, or through your use of, the Site are the sole responsibility of the

person from which such Content originated. This includes assertions that persons may make, expressly or impliedly, about the provenance and ownership of Content that they supply, upload, list and/or link to. You acknowledge that OPENCOMMONS does not make any representations or warranties about the Content, including without limitation, about the accuracy, integrity or quality of the Content made available at the instigation of users of the Site. You understand that by using the Site, you may be exposed to Content that is offensive, indecent or objectionable. Under no circumstances is OPENCOMMONS liable in any way for any Content or Claims (as defined below) as a result therefrom, including, but not limited to any infringing Content, any errors or omissions in Content, or for any loss or damage of any kind incurred as a result of the use of any Content posted, transmitted to, linked to or otherwise accessible or made available via the Site.

### **Licenses Associated With Content on the Site**

**OPENCOMMONS Content:** All Content (other than computer software) owned by OPENCOMMONS and made available by OPENCOMMONS on the Site is licensed under the Creative Commons Attribution 3.0 license, unless marked otherwise.

**Your Content:** You retain the copyright in your Content that you provide on the Site. You hereby agree that all Content you voluntarily provide to OPENCOMMONS on or through the Site is licensed under a Creative Commons Attribution 3.0 license, is not copyrightable, or is in the public domain. When you post your Content, you designate OPENCOMMONS (including the relevant project) as the “Attribution Party” for the purposes of the Creative Commons Attribution 3.0 license, as defined therein, and grant permission for the Site to be associated with your Content for purposes of that license. If Content you provide is protected by copyright, then if it is not licensed under a Creative Commons Attribution 3.0 license, you must not provide it to OPENCOMMONS. For the avoidance of doubt, you may otherwise license your Content on any terms or no terms at all, but upon uploading or supplying Content protected by copyright to OPENCOMMONS on the Site, you are licensing such Content under a Creative Commons Attribution 3.0 license in addition to any such other license that may apply to your Content, and designating OPENCOMMONS (and any relevant OPENCOMMONS project) as the Attribution Party for purposes of that license.

**Third Party Content:** The Site may contain links to websites not controlled by OPENCOMMONS (“Third Party Websites”), as well as Content belonging to or originating from persons or organizations other than OPENCOMMONS (“Third Party Content”). Third Party Content and Third Party Websites that OPENCOMMONS links to or embeds in the Site, including but not limited to blogs and news feeds, are subject to the license terms accompanying such Content. For Third Party Content and Third Party Websites that OPENCOMMONS supplies, as a courtesy OPENCOMMONS will take reasonable steps to clearly mark any such Third Party Content or Third Party Websites that are not licensed under a Creative Commons Attribution 3.0 license; provided, however, that OPENCOMMONS cannot and does not make any guarantee or warranty whatsoever about the license terms of Third Party Content or Third Party Websites and provides all such information AS-IS. We encourage you to always verify the license of any such Content before use.

**Search Results:** OPENCOMMONS may provide website search tools as a service on the Site. Those search tools may return Content that is not licensed under a Creative Commons license. OPENCOMMONS will make reasonable efforts to clearly mark whether such Content is licensed under a Creative Commons license based on any license information our search tools are able to locate and interpret. As stated above, you should independently verify the terms of the license attached to any Content you intend to use.

**Content You Provide.** You may only submit Content to the Site that you have the right to submit. This means that you can only submit Content that you yourself create, that is in the public domain or that you have been expressly granted the right to submit consistent with the Terms of Service. For the avoidance of doubt, Content that infringes the rights of any third party (e.g., Content used without express permission of the copyright owner and not otherwise permitted by law) must not be submitted. You represent, warrant and agree that no Content of any kind submitted, posted or otherwise shared by you on or through any of the Websites or Services, violates or infringes upon the rights of any third party, including copyright, trademark, privacy, publicity or other personal or proprietary rights, or contains libelous, defamatory or otherwise unlawful material. Further, you represent, warrant and agree not to submit any personally identifiable information, including any Content containing personally identifiable information, about any person who is under 13 years of age. OPENCOMMONS may, but is not obligated to, review your submissions and may delete or remove (without notice) any Content in its sole discretion that Creative Commons determines violates the Terms of Service or that may be offensive, illegal, or that might violate the rights, harm or threaten the safety of others. OPENCOMMONS does not endorse or support any Content posted by you or any other third party on or through the Site. You alone are responsible for creating backup copies and replacing any Content you post on the Site, and you authorize OPENCOMMONS to make copies of your Content as we deem necessary in order to facilitate the posting of your Content on the Site. You may request the removal of your Content from the Site at any time, and we will take reasonable steps to promptly remove such Content; provided, however, that we can remove any such Content only from our Site and cannot remove Content from email archives, wiki history pages and similar community forums where you may post content, or others' computers, such as Content you may have sent to others in an email posted to a OPENCOMMONS email list. If you choose to remove your Content, the Creative Commons Attribution 3.0 license you granted when submitting such Content will remain in full force and effect in accordance with its terms.

**Use of Content on the Site.** You may use the Content you find on the Site in accordance with the terms of the license applicable to that Content. For the avoidance of doubt, you must attribute all Content (except public domain Content) in the manner specified by the author or licensor (including attribution to any designated Attribution Party) and in accordance with the terms of such license and you must not remove or alter any copyright, trademark, name or other notice or legend that appears in connection with the Content. You represent and warrant to OPENCOMMONS that you will use any and all Content on our Site in accordance with the applicable license. You should be sure to review the terms of that license before you use the Content to which it applies so that you know what you can and cannot do. By using the Site, you agree that you are solely responsible for your use of any and all Content made available thereon. You agree that

you must evaluate, and bear all risks associated with, the use of any Content, including any reliance on the provenance, ownership, accuracy, completeness, or reliability of such Content. In this regard, you acknowledge that you may not rely on any Content made available on the Site without your own independent evaluation of that Content. OPENCOMMONS does not guarantee that Content made available on the Site does not infringe the rights of any third party.
