

Cleveland...a city that has reinvented itself from a dying rust belt town, to a world innovator in healthcare, bioscience, manufacturing and leveraging human capital through intergenerational leadership. Greater Cleveland is home to 24 fortune 1000 companies and currently has over \$7 billion in construction in its urban core. Cleveland is an innovative city that fosters entrepreneurship and has developed a network of partners to develop and excel in the areas most critical to urban success - *talent, connections, innovation and distinctiveness.*
